

# KPE: Kid Powered Energy

RHYTHM SPINNER

ANIMAL TUNES

DRIVE-AWAY

a **PLAYWORLD!**  
**EXCLUSIVE!**

## ABOUT THE PRODUCT LINE

The Kid Powered Energy (KPE) line consists of 4 unique, new electronic products: Rhythm Spinner, Animal Tunes, Drive-Away and (coming soon) the Spin Bot. The epitome of “green” energy, these panels derive their power from the motion of the children playing with them. KPE is out-of-the-box-ready and no additional wiring is necessary. KPE brings affordable technology to new or existing post and platform playgrounds and is designed for children ages 2 to 12.

# RHYTHM SPINNER

RECORD YOUR VOICE FOR FUN PLAY-BACK

BACKSIDE OF PANEL

SPIN THE KNOB & HIT THE DRUM PADS

## ABOUT THE PRODUCT

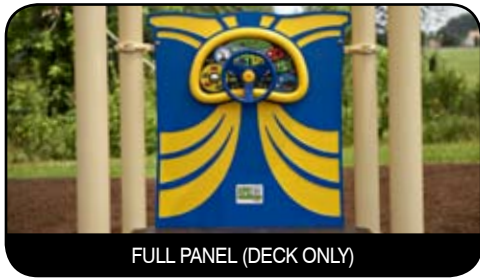

Spin the Rhythm Spinner knob to power-up and play 10 different pieces of music. Hit the drum pads to play your own music along with one of the prerecorded songs. A two-second recording feature allows children to talk, sing and shout into the microphone; their modified voice will play back when they hit the drum pads. Spin the knob in the reverse direction to change songs. Rhythm Spinner's open-ended play encourages imaginations to grow!

## FEATURES & BENEFITS

- Encourages creative and cooperative play
- Encourages growth and learning through discovery
- Is the epitome of "green" energy
- Is electronic experience
- Is out-of-the-box-ready; no additional wiring is required
- Is available in many standard Playworld colors, allowing for the product to integrate into a playstructure or stand out on the playground

- Encourages imaginative play and growth through discovery
- Promotes Cause & Effect play; the reward is music
- Can be incorporated into a larger structure or as a freestanding event
- Is ADA Accessible
- Is designed for children ages 2-12

# DRIVE-AWAY

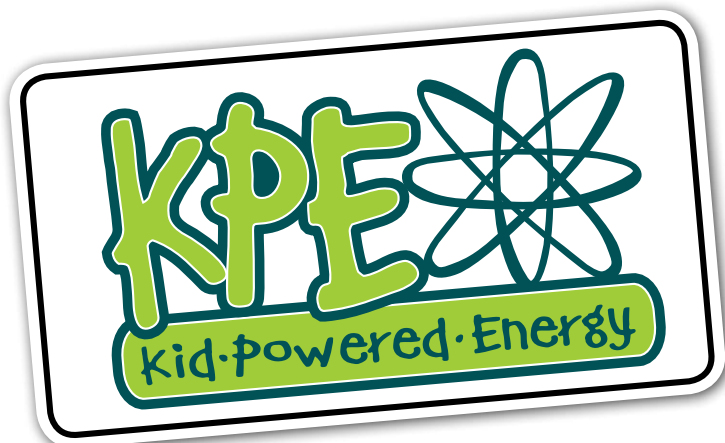

## ABOUT THE PRODUCT

Choose your vehicle, grab the steering wheel and you're off! Jump in the car, hop on a train, climb into a firetruck, board the boat or blast off in the spaceship! The Drive-Away panel encourages imaginative play with interaction and sound effects that correspond with each vehicle. The panel is charged with each turn of the steering wheel. Other sound effects include a radio, security alarm, horn and ignition.

## FEATURES & BENEFITS

- Encourages imaginative play
- Features a back panel depicting the front-end of a rotomolded car
- Encourages imaginative play and growth through discovery
- Promotes Cause & Effect play: the reward is music and sound effects
- Is out-of-the-box-ready; no additional wiring is required
- Is available in many standard Playworld colors, allowing for the product to integrate into a playstructure or stand out on the playground
- Features self-directed play
- Can be incorporated into a larger structure or as a freestanding event
- Is the epitome of "green" energy
- Is electronic experience
- Is ADA Accessible
- Is designed for children ages 2-12

# ANIMAL TUNES

## ABOUT THE PRODUCT

Animal Tunes is an interactive play panel offering fun and simple discoveries. Spin the knob to power-up and play 1 of 6 songs inspired by animals and featuring animal sounds. Spin in the reverse direction to hear a new song. Spin slow and the song plays slow. Spin fast and the song plays fast. You are the DJ!
